

New! GLMV CHAMBER OF COMMERCE MEMBERSHIP DRIVE

HELP THE CHAMBER GROW & WIN!!

The GLMV Chamber of Commerce is ready to grow even larger, increasing opportunities for businesses to prosper and grow. As such, the Chamber is launching a **MEMBERSHIP DRIVE** through December 31, 2009.

Members can participate by bringing in new member companies to join the Chamber. Those who do, will win a free lunch for themselves and the new member they brought in, and possibly free advertising space in *Action News*! Think about all the business people you know. Why not give them the opportunity to benefit from GLMV Chamber membership, too?

“We offer so many opportunities to grow your business,” says Chamber Director and Membership Committee Chairperson Florene Darr of Century 21 MarketPlace, Ltd. “With this incentive, we hope to show businesses how belonging to the GLMV Chamber can help them.”

With 200+ events a year, the GLMV Chamber is a good starting point in expanding the reach for businesses of any type and size. A membership is also a great value with networking events, seminars, trade shows, marketing opportunities and also shows that you are committed to the local business community. Membership also extends to all staff from the business, who are eligible to participate in the events.

A larger Chamber membership means a stronger voice, enhanced services for our members and better networking. The GLMV Chamber would not be what it is today without the dedication and support of our membership. To help get the word out, it would be beneficial if you would promote our membership on your website, in your business publications, e-blasts, outdoor signage, etc. The more business people that see “Join The GLMV Chamber” messages will add to the efforts.

To help you get started, a Membership Application is attached – please pass on to others you know who may be interested in belonging to the GLMV Chamber.

~ The GLMV Chamber thanks you for helping grow our organization ~
