

## BUZZ ABOUT THE GLMV...

**“W**e benefited from the chamber even before we opened in July, 2004. GLMV provided referrals for all the services our new office needed beginning with a realtor. These great helpers even spread the word that we were here!”

**“T**he GLMV chamber has been an integral component responsible for the growth of my business. Through my involvement in the GLMV Chamber and GLMV Connect, many doors have been opened that resulted in sales. Very simply, the GLMV has provided a networking forum for local business members to know each other, and whenever possible, to do business within our organization. Kudos to the Chamber for providing this valuable business network.”

**“T**he GLMV Chamber of Commerce has been a wonderful experience to me. I did not know anyone when I came to the area in 1993 so I joined the Chamber. It has opened many doors for me including introducing me to my current employment. I have had many business opportunities with chamber members that I might not have if I didn't belong to the chamber.”

~ *Sybil Schechter Kelly, Mundelein Community Bank*
